

**CALL FOR TENDERS FOR THE 2016 EDITION OF THE
ECCOMAS ZIENKIEWICZ and LIONS YOUNG INVESTIGATORS Awards**

Rules for the Zienkiewicz and Lions Awards 2016

1) The Award Committee, which acts independently of the Managing Board, is formed by the seven recent medallists, the last Zienkiewicz and Lions awardees, and four representatives of the Technical Committees. These members are neither eligible for an award nor allowed to nominate candidates.

2) Eligibility. The candidates shall be scientists with outstanding contributions in the fields of ECCOMAS as follows:

Olgierd Cecil Zienkiewicz Award

for young scientists in the field of Computational Engineering Sciences,

Jacques Louis Lions Award

for young scientists in the field of Computational Mathematics.

3) The candidates for these ECCOMAS Awards should be individual members of the affiliated member associations or could be any scientists working in Europe and who were **born after January 1st, 1976**.

Candidates can be nominated by every individual member of ECCOMAS or by its member associations. Self-nominations are not admissible and the name of the nominator will not be visible during the selection process.

4) Deadline for receiving candidates for the Awards is **February 19, 2016**.

5) Decisions on the ECCOMAS Awards will be taken by the Award Committee before April 8, 2016.

6) The 2016 Edition of the ECCOMAS Awards will be conferred at the [ECCOMAS 2016 Congress](#) that will take place in Crete, Greece, on June 5-10, 2016.

7) At this first stage, **nominations should only include the names and affiliations** of the nominees and the name of the nominators. At a later stage nomination sheets will be asked for. The nominations should be sent to:
